Price Guide September 2008

<u>The Ceremony/Service only</u>	<u>£400.00</u>
We arrive at the wedding venue in plenty of time to film some background shots and all the arrivals. We have a camera in an unobtrusive corner at the front and another at the back. You get a "highlights" version edited with music plus the complete service as an extra on the DVD	
<u>The Ceremony and the Early Reception</u>	<u>£530.00</u>
The ceremony and then the arrival and settling in at the reception	
<u>The Ceremony and the Couple's Preparations</u>	<u>£530.00</u>
This is the part that each half of the couple would otherwise miss: the anticipation, the application of mascara, the downing of pints in the pub!	
<u>Preparations, the Ceremony, and Early Reception</u>	<u>£650.00</u>
<u>The Ceremony, Reception and Speeches</u>	<u>£760.00</u>
We film the ceremony and the reception as above and also the speeches which are also added as a extra on the DVD	
<u>The Ceremony, Reception, Speeches and First Dance</u>	<u>£820.00</u>
As above again and we stay until the evening dancing gets underway	
<u>Preparations, Ceremony, Reception, Speeches</u>	<u>£820.00</u>
<u>Preparations, Ceremony, Reception, Speeches, First Dance</u>	<u>£875.00</u>
The whole day	
<u>Pre-Wedding Interviews</u>	<u>£100.00</u>
We bring a camera along to your home and interview you separately about your relationship. This is not as scary as it sounds and makes another great extra on the DVD	
<u>Film Trailer</u>	<u>£150.00</u>
We film some shots of the couple and edit a short trailer which we upload to the web. You then get a link to give to your family and friends. The trailer is added as another extra on the DVD.	

You get three copies included in the price, plus a 100 year archive master disk. You can make your own further copies or we can supply them at £10 each.

A Wedding Video-Recording Licence to cover music copyright is included in the price.

If you want us to stay late at the reception there is an extra charge of £45 per hour after 9pm.

If the wedding is at some distance from York there might be some basic travelling expenses which would, of course, be agreed beforehand.
